Our Purpose and Vision

Our Purpose

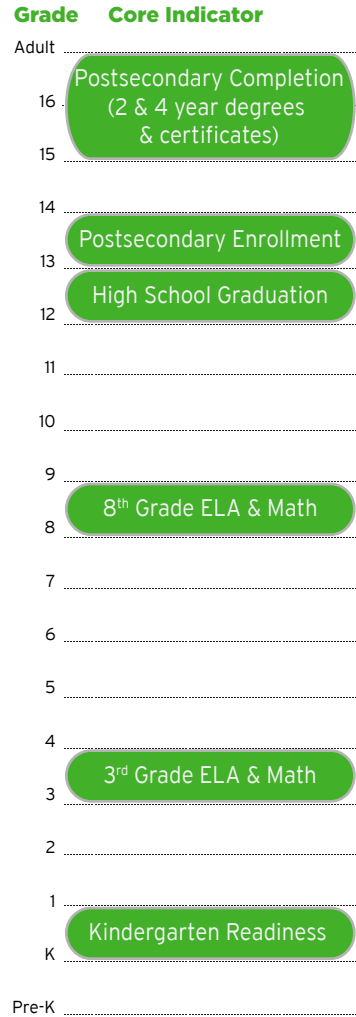

The Tri-County Cradle to Career Collaborative (TCCC) is a community-wide movement focused on improving education outcomes by working with partners to align resources for more efficient and effective use. We are businesses, school districts, institutions of higher education, non-profits and other partners in Berkeley, Charleston and Dorchester Counties, SC, committed to helping students succeed, building a skilled workforce and improving the quality of life in our community.

Our Vision

- Every child will be prepared for school.
- Every child will be supported in and out of school.
- Every child will succeed academically.
- Every child will graduate from high school prepared for either further education or employment in the modern workforce.
- Every student enrolled in postsecondary education will complete successfully and will enter a career.
